**ORDER:**

In the reference 1<sup>st</sup> read above, the Commissioner, R&R (FAC), I & CAD Department has reported that the District Collectors have sent certain proposals suggesting that in view of the importance of the work which have to be completed in a time bound manner as proposed by the Engineer-in-Chief(I.W), I&CAD Department, Certain incentives have to be given to project displaced families to expedite their voluntary migration from the villages under submergence/displacement. It has been observed that the time and cost overrun that may be incurred for implementing the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 which is a time consuming process is much higher than the additional cost incurred due to the better package offered to the project displaced family under the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement (Telangana Amendment) Act, 2016.

2. (i) It has been agreed by the Government that R&R entitlements as per the RFCTLARR Act, 2013 and the better District Specific package as per the RFCTLARR(T.A.) Act, 2016 will be offered to the project displaced families and they are free to choose either of the options.

For Example:-

The District Collector, Rajanna Sircilla has proposed the following 2 options:

- a) Option -I: Under 2016 Act (to be given on consent by the entire household including all PDF's in the house hold) includes the cost of double bed room house to the owner of the house (head of the household). He will also be given a lumpsum package of Rs.7.5 Lakhs. All PDF's in the house hold shall be given a 250 Sq.yards plot in developed Lay out, Which was been said by the Collector as a better package than that available under 2013 Act.
- b) Option -II: They can choose an award under 2013 Act which will include a IAY house built on 75 Sq.Yards plot and Rs.6.36 Lakhs to each PDF.

(ii) All the PDF's covered under one 11(1) Notification will be eligible to exercise their options as above.

(iii) If for any village more than one 11(1) Notification is issued, then the entire village has to be offered both the above options to provide a level field.

(iv) While sending the proposals, the Collector will ensure that the entitlements option offered under the RFCTLARR(T.A.) Act, 2016 is more beneficial than that offered under the RFCTLARR Act, 2013 by indicating the necessary calculations.

-:2:-

3. Government, after examination of the matter, further direct the Commissioner, R&R (FAC), I & CAD Department to approve Resettlement & Rehabilitation plans proposed by Collectors duly ensuring the above issues and also direct the Collectors that in the event of PDF's opting for proposed better compensation offered by the State under 2016 Act, an undertaking may also be obtained from the PDF's to the effect that authorities have explained the benefits under both options and he/she has opted to the proposed better compensation offered by the State with his/her own will and consent and without any threat or coercion and he/she will not claim anything further under R & R entitlement.

4. The Commissioner, R&R (FAC), I & CAD Department shall take necessary accordingly.

**(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)**
